Iraq

Position Title: Mechanic Wheel Vehicle

Qualifications & Competencies:

This is a position with a physical rating of heavy. Minimum of three (3) years experience in automotive maintenance repair and service is required. Military experience in 52, 62, and 63 series MOS and knowledge of Army/Marine maintenance technical publications is preferred. Although military experience is preferred, a solid civilian automotive maintenance background to include diesel engine, drive train and suspension experience can be considered. All work performed will be in accordance with applicable Army technical manuals (TMs). Must have a U.S. passport. Must be able to pass a physical exam due to the harsh living and working conditions. Must also pass a pre-employment criminal background check and drug screen. **Must possess a valid U.S. drivers' license.** This is a one (1) year assignment. Expect to work 12 hours a day, seven days a week.

Salary: \$86,000 income potential with competitive benefits package.

Key Responsibilities:

- Performs unit/support maintenance (ORG/DS/MEF) and recovery operations on gasoline and diesel fueled light/heavy wheel vehicles including all variants of HMMWV, HET HEMTT, PLS, LMTV / FMTV M923-series 5-ton, and various other tactical vehicles as required.
- Responsible for maintaining wheel vehicle systems including, but not limited to, the following: compression ignition fuel injection systems, air intake systems, liquid cooling systems, power assisted brake systems, exhaust systems, air brake systems, all lubricated points and systems, vehicle suspension systems, vehicle/hub assemblies and geared hubs, vehicle mechanical (manual) and power steering systems and vehicle crane/hoist/winch assemblies, and various hydraulic and electrical system.
- Able to perform major component replacement such as engines, manual and automatic transmissions, transfers, clutch and differentials.
- Reports to and receives assignments, instructions and direction from the Foreman or Supervisor.
- Reads and interprets instructions and documentation and plans work activities.
